

Next, let's play with some words.

Read out loud the text inside the triangle below.

More than likely you said,

"A bird in the bush" and.

If this IS what YOU said, then **you failed to see**

That the word THE is repeated twice!

Sorry, look again.

What do you see?

In black you can read the word GOOD,

In white the word EVIL (inside each black letter is a white letter).

Now, what do you see?

You may not see it at first, but the white spaces read the word "optical",

The blue landscape reads the word "illusion".

Look again! Can you see why this painting is called an optical illusion?

What do you see here?

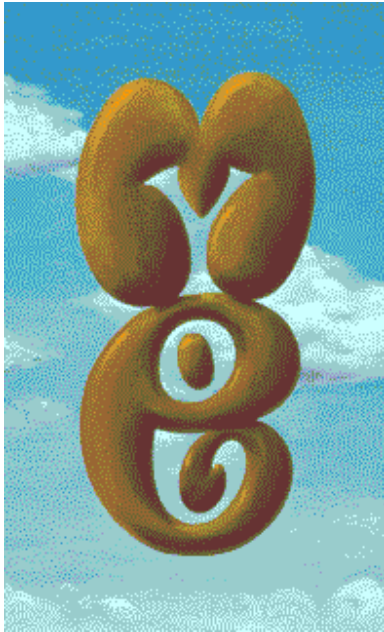

This one is quite tricky!

The word TEACH reflects as LEARN.

Last one.

What do you see?

You probably read the word ME in brown,
but.....

When you look through MEyou will
see YOU!

Do you need to look again? ***Test Your
Brain***

This is really cool.
